

THE MINISTRY OF HELPS - Helping Your Pastor Fulfill God-given Vision For Your Church is written to encourage all Appointed Church Leaders and Workers.

You will be equipped with practical guidance to support your Pastor more effectively and accurately, and also to increase your value and the impact of your spiritual service to God, your Pastor and your home church.

Review / Comment

"Every serious church worker should read and fully digest the profound teachings in this book. We are in an age of increasing shoddiness on the part of church workers. This book therefore serves as a wake-up call to everyone that desires his church membership to count and to be counted upon. This book will stir into manifestation the gifts and abilities locked within every true lover of God."

Debo Adedeji, Senior Pastor, The Root of David Assembly, Ijanikin, Lagos-Nigeria.

About THIS BOOK

A **HAVEN** is, 'A shelter serving as a place of safety or sanctuary.' It is what God wants your local church to be people of this dying world! However, Visitors returning and Members staying on is not entirely up to God. Retaining them is largely influenced by how you, the Appointed Leader or Worker, perform your Church Work duties. By

God's Design and Plan, YOU are a builder of your Pastor's God-given vision for your church! (HELPS; 1 Cor 12:28)

MAKING HAVEN ON EARTH equips and enables YOU with bible-based Church Work Skills to function in ways that achieve growing church membership.

At the end of the day, God's ultimate reward will come, but **ONLY** for the work required by Him, and productively done by you the Appointed Leader or Worker. **"...On the judgment day, fire will reveal what kind of work each builder has done. The fire will show if a person's work has any value, if the work survives, that builder will receive a reward. But if the work is burned up, the builder will suffer great loss. The builder will be saved, but like someone barely escaping through a wall of flames."** (1 Cor 3:13-15, New Living Translation)
